What was their response? surgery was approved, but not scheduled.

What action was taken? N/A

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

I have been told several times, dating back to Sept 1st 2016 that my neck surgery (to release pressure off of my spinal cord) had been approved, yet not scheduled.

I need that surgery done ASAP, Please! I've now been having spasms in my neck where it chokes me for a few seconds. Those come and go often. Mostly when I yawn. Something in my neck swells up and I can feel it with my fingers when it happens. I need that pressure off of my spinal cord!

"Please schedule this neck surgery! It's been approved for a long time now."

Action Requested to resolve your Complaint.

I need neurosurgery to finally schedule my neck surgery to relieve pressure off of my spinal cord.

Offender Signature: *[Signature]*Date: *4-11-19***Grievance Response:**

Review of your medical records reveals that you were last seen by Neurosurgery in February 2016 re: neck. There was a referral submitted on 8/24/18 to Neuro to discuss treatment plans for you. MSRS screen reveals that you were scheduled on 4 different occasions and on two times you were rescheduled due to transportation issues and on the other two occasions it was noted that you were a no show. This office will refer your chart back to the provider for possible referral back to Neuro. Please follow up with this office via I-6C in a week to follow up on the status. This office notices you haven't had any recent complaints with your neck which is good. However, if you do have any issues or concerns, please submit a SCR listing your signs and symptoms and you will be scheduled. No further action warranted at this time.

As of March 01, 2020 TDCJ is expected to implement the "Inspect to Protect Policy".

This new policy is unfair to Death Row offenders for general population offenders have access to O.T.S. (Offender Telephone System) which allows general population offenders to have an extra, up to ten people, plus their visitation list of ten totalling twenty people, whereas Death Row offenders only have ten.

Death Row Offenders should be allowed access to the O.T.S. or given a new total of twenty people on their visitation list.

Have access to O.T.S., or be given an extra
 10, totalling 20 people on our (death row) Visitation list.

Your grievance was investigated. The Inmate records department reports that the new AD Policy is still in the pilot process and still has to work out and finalized. However Huntsville is aware of this issue and will be working to correct the issue. Furthermore, general population offenders are only allowed 10 visitors on their visitation list. Death row offenders are allowed to make phone calls but you will have to submit an I-60 to the major for approval. No further action is warranted.

What was their response? She took my name and TDCJ number.

What action was taken? NONE

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

I sent two I-60's to medical via mail to have my toe nails cut, (because I can not cut them myself).

First I-60 sent 7-13-21, the 2nd I-60 7-19-21

Where did the I-60's go? I Never got back a response.

Why is someone throwing my medical request away?

Why is it that I have to send a grievance to get my toe nails cut, Again!

I had to send a grievance over the same issue last time I needed my toe nails cut.

It's clear the Nurses do not like to cut toe nails, but if they don't want to do their job ~~not~~ and assist a disabled person cut their toe nails, they should change their profession!

Action Requested to resolve your Complaint. *I need my toe nails cut.*

 What was their response? N/A
 What action was taken? N/A

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

The pill tech which passed out Am meds, (a tall thin black woman) today keeps getting my prescriptions wrong! (8-2-21)

1. She gave me 30 mg ~~80~~ Duloxetine
 It's suppose to be 60 mg.

2. She didn't give me my Naproxen 500 mg.

She's been here long enough (surely) to know how to do her job.

1. She's stealing medication or she can't read, which is it?

I need someone to just give me my medication, right because I hurt to bad to go without. She's the only one who does this! As soon as I moved back to A-pod (this side) I started to get shorted my med's, again.

I'm tired of having to deal with this lady.

I moved to AA04 (A-pod) 7-6-21 and she's done this three times now.

Either she's stupid and can't read or she's stealing my meds!

Action Requested to resolve your Complaint.

I read my medications!

Offender Signature: Sgt. B

Date: 8-2-21

Grievance Response:

Review of the medical records reveals that you received your Duloxetine DR 60 mg on 8/2 at 0749 by Nurse Bond. Further review reveals that you did not receive your Naproxen as you stated on 8/2 but you did accept on 8/3 according to medication compliance screen. Both of these medications are KOP so you should be receiving a pill pack. All medications will be administered as ordered. Nursing administration will continue to monitor complaints as such. Please notify the Cluster Nurse Manager via I-60 if you have any future complaints regarding medication administration. This issue has also been discussed with pharmacy staff. All medical staff are to wear their ID badges where their name and picture are visible. No further action warranted at this time.

 What was their response? He went be able to touch me or speak to me in the chamber
 What action was taken? N/A

Sgt. Brown, my spiritual adviser told me that TDCJ would NOT allow him to touch me or speak to me while I was in the death chamber, during my execution.

I am being deprived of my religious rights because I believe my spiritual adviser should touch me and say the appropriate words while I'm in the death chamber.

After-all a minister's words is what brings peace and persussion in my religious beliefs.
